U.S. Department of State, Washington, D.C.

Fake information helps the few.
Real information helps the many.

eLibraryUSA is a digital collection
of trusted information resources
from the United States with
quality newspapers, magazines,
journals, books, dissertations and
award-winning films and videos.

With the world connected through the internet, false information can spread across the globe in less than a minute. A positive way to respond to this serious dilemma is to provide communities with access to real information, written by experts, fact-checked and designed to inform and educate. The collection of quality resources in **eLibraryUSA** is well-known throughout North America and Europe and meets the standards of publishers, academics, journalists, and media companies.

eLibraryUSA is completely free of charge to use at American Spaces.

eLibraryUSA is sponsored by the Office of American Spaces, U.S. Department of State, in partnership with the U.S. Embassy.
